

Appendix C: Graduation Requirements For Students Beginning Class of 2017

The JEDI Virtual School requires a minimum of 24.5 credits for graduation for students in the class of 2017. All virtual online students must be selecting classes that would lead to graduation. The following requirements must be fulfilled before a diploma will be issued:

- **ENGLISH: 4 CREDITS** which must include ½ credit of speech, ½ credit of composition, and ½ credit of research. The composition and research requirements will be met by taking English 10 or English 10 Honors.
- **SOCIAL STUDIES: 3 CREDITS** which must include 1 credit of United States History, 1 credit of World Geography & Cultures, and ½ credit of American Government* or AP Government.
- **MATHEMATICS: 3 CREDITS** which must include 1 credit of Algebra I (may be taken in middle school).
- **SCIENCE: 3 CREDITS** which must include biology, and 1 credit of physical science. The physical science requirement is met by taking Physical Science, Chemistry, or Physics.
- **PHYSICAL EDUCATION: 1.5 CREDITS** over three years.
- **HEALTH: ½ CREDIT**
- **BUSINESS: ½ CREDIT**
- **OTHER: ½ CREDIT** Personal Finance
- **ADDITIONAL ELECTIVES: 9.5 CREDITS**

A minimum of 9.5 additional credits is necessary to meet the minimum credits required for graduation. Students should carefully select elective courses to fit their future career development needs.

In compliance with the 2015 WI Act 55 (Section 3266R, 118.33(1m)(a)1.), all graduating JEDI Virtual School students, beginning with the class of 2017, are required to achieve a passing grade on a civics test. Please see State Assessments on page 16 for more information.

Please see Appendix E: NCAA Requirements, page 30, for additional NCAA graduation requirements and information.
