

Disciplinary Procedures

Students are subject to all JEDI Virtual School District policies including but not limited to policies referring to computer usage, email usage, and behavior during on-site courses and extracurricular activities and at any events arranged by any school district personnel. Disciplinary proceedings for violations of policies in these areas will be determined based on the frequency and severity of the infraction. The local district and JEDI Virtual School are authorized to discipline students from the school for violations of these policies when necessary.
